

TOYOTA

CARINA & CELICA

REPAIR MANUAL

BODY

 TOYOTA MOTOR SALES CO., LTD.

FOREWORD

This repair manual covers the inspection and repair of the TOYOTA CARINA & CELICA body and its electrical system.

For inspection and repair of the TOYOTA CARINA & CELICA engine and chassis, refer to the following repair manuals.

T & 2T Engine Repair Manual (Pub. No.98060-1)

18R Engine Repair Manual (Pub. No.98142)

20R Engine Repair Manual (Pub. No.98116)

TOYOTA CARINA & CELICA Chassis Repair Manual

(Pub. No.98143)

Symbol marks have been placed on the operational illustrations to make it easier to understand the work.

The specifications and repair procedures contained herein are subject to change at any time without previous notice.
